

## A blue metal frame with a horizontal bar and a central component, likely a test fixture or assembly stand. The frame is made of blue-painted metal. A horizontal bar is mounted across the middle. On this bar, there are two brass-colored fittings and a central green and red component. Two red-handled tools or pins are also visible on the bar. The frame has a base with mounting feet.

- med støyreduksjon
- 1130 mm konstruksjonshøyde
- for on-the-wall installations or studded walls
- stålramme, pulverlakkert, selvbærende
- for dry-cladding, completely pre-assembled
